# Orient Electric

## Your One Stop Brand for Electrical Lifestyle Solutions

A distinguished name in the consumer electrical space for more than 65 years, Orient Electric has established itself as a one-stop provider of Fans, Lighting, Home Appliances, Switchgears and other Electrical solutions. Orient Electric is a consumer validated 'Superbrand' and a 'Fortune India 500' company.

Orient Electric enjoys a marketing presence in over 40 international markets. In the domestic market, it has a well-organised distribution network reaching 1,25,000 retail outlets and a strong service network covering more than 450 cities. It has state-of-the-art manufacturing facilities at Faridabad, Noida and Kolkata, which enables it to manufacture consumer-centric, first-to-market products with best-in-class quality and performance.

Orient Electric takes pride in its R&D capabilities, spirit of continuous innovation, and commitment to manufacturing cutting-edge lifestyle electrical solutions which make life simpler and experiences better.
